*\*Note: Worth Magazine's 100 Wealth Advisors bases its rankings on qualitative criteria that include: professional designations and educational credentials, professional experience, acceptable compliance records, outlook on the investment climate, model portfolio returns, and client retention rate. Worth editors receive thousands of nominations nationwide from Worth readers and investment professionals. Nominated advisors are then asked to complete an extensive survey. All credentials and designations are verified and nominee compliance records are verified. For more information on ranking methodology, go to <http://www.worth.com>. The rating may not be representative of any one client's experience because it reflects a sample of all of the experiences of the advisor's clients. The rating is not indicative of the advisor's future performance. Smith Barney does not pay a fee to Worth Magazine in exchange for the rating.*
