Saratoga Springs, NY – Smith Barney is pleased to announce that local Financial Advisor Larry King was recognized in *Barron's* as one of the Top 1,000 Advisors. The article appeared in the February 9, 2009 issue and is based on the methodology and criteria of independent research organization Barron's Winner's Circle.

"These rankings aim to raise standards in the financial services industry by shining a light on the best in the business," said Matt Barthel, Associate Editor at Barron's. "The idea is to give advisors a benchmark of excellence for their profession."

Barron's screens more than 3,000 financial professionals on an annual basis and selected 1,000 full service financial advisors from across the US using a combination of quantitative and qualitative criteria.* Those identified on the list were selected based on their continued focus on adhering to the best practices that govern our business, success and quality service that they provide to their clients.

Mr. King has been a member of Smith Barney for approximately 9 years with 20 years served within the industry. As a Financial Advisor with the firm, Mr. King provides a full suite of investment services and comprehensive financial planning strategies to individual investors, institutions focusing on wealth management, managed money, estate planning, retirement and education planning. *Barron's Top 1,000 Advisors, as identified by Barron's Winner's Circle, bases its rankings on qualitative criteria: professionals with a minimum of 7 years' financial services experience, acceptable compliance records, client retention reports, customer satisfaction, and more. With over 3,000 advisors nominated annually, advisors are quantitatively ranked based on varying types of revenues and assets advised by the financial professional, with weightings associated for each. Additional measures include: in-depth interviews and discussions with senior management, peers, and customers, and telephone-based and in-person interviews with the nominees. Because individual client portfolio performance varies and is typically unaudited, this ranking focuses on customer satisfaction and quality of advice. For more information on ranking methodology, go to www.WCorg.com. The rating may not be representative of any one client's experience because it reflects a sample of all of the experiences of the advisor's clients. The rating is not indicative of the advisor's future performance. Neither Smith Barney nor its financial advisors pay a fee to The Winner's Circle or Barron's in exchange for the rating.
