Welcome

Welcome

Our approach to investing is based on our time-tested way of doing business. We offer our clients sound investment counsel based on our research, intellect and hard work. Whether you are beginning a relationship with our firm or broadening an existing one, we think you'll see that we offer unique advantages to you as an investor.

Bulletin Board

- It has been a pleasure working with all of our clients over the past several years. We appreciate the time and the commitment that each client has made to their own financial well-being.
- To see timely market data, including CD Rates, Quotes and MarketWatch, click on Key Links on the left.
- Overreacting to the market events often forces investors to sell at the bottom or miss out on a subsequent recovery. By reviewing your long-term, diversified investment plan on a periodic basis, we can alter it as your needs change—or help you stick to it when the market starts to make you jittery.
