Welcome

### Welcome

We know what's behind the money you've earned. That's why all of our investment experience, capabilities and resources are focused on one objective: to help you invest wisely. Our approach to investing is based on our time-tested way of doing business. We offer our clients intelligent counsel based on our research, intellect and hard work. It's an approach that has helped our clients work toward their financial goals since our firm was established over a century ago.

### Bulletin Board

- It has been a pleasure working with all of our clients over the past several years. We appreciate the time and the commitment that each client has made to their own financial well-being.
- To see timely market data, including CD Rates, Quotes and MarketWatch, click on Key Links on the left.
- Overreacting to the market events often forces investors to sell at the bottom or miss out on a subsequent recovery. By reviewing your long-term, diversified investment plan on a periodic basis, we can alter it as your needs change—or help you stick to it when the market starts to make you jittery.
