Welcome

### Welcome

We know what's behind the money you've earned. That's why all of our investment experience, capabilities and resources are focused on one objective: to help you invest wisely. Our approach to investing is based on our time-tested way of doing business. We offer our clients intelligent counsel based on our research, intellect and hard work. It's an approach that has helped our clients work toward their financial goals since our firm was established over a century ago.

### Bulletin Board

- Is your cash working hard enough? Our federally insured CD program can offer you competitive rates. Talk to us for details.
- Are you ready for retirement? We think of retirement as part of the bigger picture-your life. Whatever you have in mind, the ideal is to have the flexibility to make choices based on what you want to do, not what you have to do. Call to develop a plan for achieving the retirement you envision.
- See Special Reports for the November On the Markets. November's lineup includes "Let's Get Real" Real yields, which are yields adjusted for inflation, are now very good for high-grade corporate bonds and high yield bonds. In addition, the real earnings yield for the S&P 500 is quite high, too. These attractive real yields give investors an opportunity to get well ahead of inflation argue Chief Investment Officer Jeff Applegate, Chief Investment Strategist David M. Darst and Global Investment Strategist Charles Reinhard in this month's cover story.
