### Bulletin Board

- You've worked hard to build your wealth for retirement. We can work with you to develop a plan so your wealth works just as hard, to help you get the most out of life after retirement.
- See Special Reports for the November On the Markets. November's lineup includes "Let's Get Real" Real yields, which are yields adjusted for inflation, are now very good for high-grade corporate bonds and high yield bonds. In addition, the real earnings yield for the S&P 500 is quite high, too. These attractive real yields give investors an opportunity to get well ahead of inflation argue Chief Investment Officer Jeff Applegate, Chief Investment Strategist David M. Darst and Global Investment Strategist Charles Reinhard in this month's cover story.
- You may know others who would benefit from receiving the breadth of advice they and their wealth deserve. As someone who understands the value of working with a trusted advisor, we invite you to introduce your family, friends and business associates to our services.
