- We consistently rank among the leaders in distribution and trading of tax-exempt, fixed-income securities. The strength of the firm's tax-exempt platform is reflected in our current number one ranking in lead-managed* municipal bond underwritings. See Municipal Bonds under Key Links on the left for details.

- See Special Reports for the November On the Markets. November's lineup includes "Let's Get Real" Real yields, which are yields adjusted for inflation, are now very good for high-grade corporate bonds and high yield bonds. In addition, the real earnings yield for the S&P 500 is quite high, too. These attractive real yields give investors an opportunity to get well ahead of inflation argue Chief Investment Officer Jeff Applegate, Chief Investment Strategist David M. Darst and Global Investment Strategist Charles Reinhard in this month's cover story.
- The amount of income you'll need in order to live comfortably once you retire may be more than you think. To help make sure you'll be able to sustain the retirement lifestyle you envision, ask us for a Personal Wealth Audit.
