Welcome

I seek to understand my clients broadly and deeply enough to find the opportunities that add value not only to their financial objectives, but also to their life aspirations. I determine what's really important and develop actionable, flexible strategies to help them meet their financial needs. I also design socially responsible investing portfolios for those who want to truly align their values with their investments, while also helping to deliver the financial returns that they desire.

Ask me about Women & Co.®, a program offered by Citi to help women address the unique financial challenges they may face in their lifetimes. Visit www.womenandco.com.
