Welcome

In today's fast-paced world, few people have the time or resources to dedicate to managing their investments—whether it involves researching bond calls, reviewing company earnings projections or tracking mutual fund performance. As your Financial Advisor, I will alert you to new opportunities and advise you on changing market conditions that may affect your investments. It's all part of my long-term commitment to my clients.

Bulletin Board

- If you would like us to evaluate your equity portfolio to determine which stocks are appropriate for you, please call or schedule an appointment.
- Are you being offered an early retirement package? Visit our Financial Planning link for the IRA Rollover Guide to Lump Sum Distributions.
- I am very appreciative when existing clients refer friends, family, and business associates for an exploratory meeting. I will do my utmost to meet your highest expectations.
