Welcome

As your Financial Advisor, I will spend the time to understand your financial concerns and work in partnership with you to develop a customized investment program that can best meet your needs. As our relationship builds over time, I will be able to anticipate your changing circumstances and help advise you on appropriate investment strategies. I look forward to serving your long-term investment needs. Please feel free to call me at any time.

- See Special Reports for the November Graystone Investor's monthly featuring "Let's Get Real: Looking for investments that can outpace future inflation. "How can investors position themselves for better times? The answer lies in investing with an eye toward outpacing inflation. We believe that investors should focus on real returns.", says Chief Investment Officer Jeff Applegate, Chief Investment Strategist David M. Darst and Global Investment Strategist Charles Reinhard, "In our view, it is now appropriate for investors to consider the future with far less fear and foreboding than in the middle of the Great Recession." The economic and investment implications of this development are explored. Also inside, "Higher Prices, Lower Volatility" which explores the emerging market equities.
