Services

Welcome

You've worked hard to accumulate your wealth; now you need those assets invested responsibly in a complex environment. The Consulting Group of Morgan Stanley Smith Barney, has developed a disciplined process that helps you design customized investment strategies that help you meet your personal needs. Working together, we can design a suitable asset allocation strategy, select appropriate investment managers and monitor results over time. A cornerstone of Consulting Group's process is our in-depth research and evaluation of professional portfolio managers. Only those managers that pass our stringent research process are approved for use by our clients. In addition, we regularly evaluate those managers to help ensure they continue to meet our quality standards. If you would like more information about how Consulting Group's investment process and our manager evaluation services can help you meet your needs, please contact us.

- A special thank you at Thanksgiving time to express our sincere appreciation for your continued confidence and loyalty. We wish you and your family a happy and healthy Thanksgiving Day.
- See Special Reports for the November On the Markets. November's lineup includes "Let's Get Real" Real yields, which are yields adjusted for inflation, are now very good for high-grade corporate bonds and high yield bonds. In addition, the real earnings yield for the S&P 500 is quite high, too. These attractive real yields give investors an opportunity to get well ahead of inflation argue Chief Investment Officer Jeff Applegate, Chief Investment Strategist David M. Darst and Global Investment Strategist Charles Reinhard in this month's cover story.
- Our service commitment centers around a continual assessment of your goals, investments & performance while working with your other advisors, CPAs or Attorneys, to help you identify potential opportunities, reduce fees and simplify your life.
