### Welcome

As your Financial Advisor, I will spend the time to understand your financial concerns and work in partnership with you to develop a customized investment program that can best meet your needs. As our relationship builds over time, I will be able to anticipate your changing circumstances and help advise you on appropriate investment strategies. I look forward to serving your long-term investment needs. Please feel free to call me at any time.

### Bulletin Board

- If you would like a complimentary portfolio review or you're in need of a comprehensive financial plan, please give us a call.
- Contemplating retirement? Rolling over a 401(k)? Have IRA Rollover questions? Let us help. Please contact us.
- Overreacting to the market events often forces investors to sell at the bottom or miss out on a subsequent recovery. By reviewing your long-term, diversified investment plan on a periodic basis, we can alter it as your needs change—or help you stick to it when the market starts to make you jittery.
